

## REMARKS

Applicant's counsel inadvertently provided the inventor's nationality as the United States at the time the application was filed. Applicant has since notified her undersigned counsel that her nationality is St. Vincent and the Grenadines.

On October 26, 2005, Applicant's undersigned counsel contacted the Primary Examiner by telephone to inquire as to the proper means for correcting the nationality of the inventor and was referred to the Office of Petitions. Applicant's counsel next contacted the Office of Petitions and was informed that the change in the inventor's nationality could be requested through an Amendment filed with the payment of the issue fee.

Applicant respectfully requests the amendment of her nationality to be entered, and further respectfully requests the issuance of a patent in accordance with the Notice of Allowance and Fee(s) Due.

Respectfully submitted,

Michael C. Cesarano
